Revision of Minutes from January 20, 2022 Meeting

Jennifer thanked Wendi for connecting EPLS with the Rural Urban Record reporter who wrote an article and had pictures taken of the Keystone Library Branch. Both were placed on the front page of their March 14, 2022 issue.

A “garden theme” is happening at the West River Library Branch this spring. EPLS received a grant for a summer community garden with raised beds and benches. EPLS will be teaching gardening tips with the help of the Lorain County OSU Extension. Vegetables will be available for the community to pick and enjoy.

Debby Krejsa (Keystone Branch Manager) passed around a document with information about the seed bank at the Keystone Branch. Patrons may choose 5 packages of seeds a month. The seeds are stored in the old card catalog filing drawers in the front section of the library.

OLD BUSINESS

Placing Current and Past Membership Tree and Leaves in Library

Aaron McElwain reported that both trees and leaves are now in the Friends Library Office. Aaron recommended that all membership leaves be placed on the new tree in the main section of the library to make it a better presentation for the public. Wendi Zwaduk recommended that paper leaves be placed on the old tree and hung in the library conference room. There was consensus from the Friends with the two recommendations. Frank Szuch will work on hanging both trees.

Book Sorting – Wendi Zwaduk

Wendi Zwaduk placed the new donation signs at the book drop-off locations in town. A temporary space has been designated in the Friends Library Office for donated books dropped off at the library circulation desk. Wendi and Kathy situated all the categorized boxes in the sorting room. Mary Gress asked if we could specify more categories for the children’s books. She will make a list for sorting them. Anyone interested in helping to sort the children’s books may contact her.

Books and Brunch Spring 2022 (Saturday, April 23, 2022) – Wendi Zwaduk

Wendi Zwaduk reported that an article about the Books and Brunch event will be advertised in the Elyria Chronicle Telegram and the Rural Urban Record. Marianne Sommerfelt reported that 75 event tickets have been sold and 4 remain unsold. A discussion followed on how many people would fit comfortably at the event (88). Sylvia Hack reported that 9 raffle baskets have been confirmed for creation by the Friends. Kathy Burrer reminded the group that Friends who are working at the event should not purchase raffle tickets for the baskets. Linda Chapin reported the following: Maps were cut up for table runners; books, a booklight, and chocolates will be placed in the centerpiece bags; lifesavers will be placed on the tables; and a journal, pen, and cookie will
be at each place setting. Mary Gress and Aaron McElwain reported on the menu. We will need to identify volunteers interested in creating some of the dishes. A sign-up sheet listing ingredients and cooking/baking items was passed around the table. Mary Gress will also have the list emailed to the Friends (via the secretary) for donated responses to her. Wendi asked Mary G. and Aaron to provide her with information to complete the Food Service Certificate for the Lorain County Health Department.

At this time in the meeting, a discussion ensued among the members concerning treasury funds that cannot be used that do not benefit the library. Wendi read to the group Article III (Purpose and Powers), Section 2, paragraph 2 of the Friends Articles of Incorporation. Jennifer Starkey will run the Articles of Incorporation by the EPLS legal counsel for more clarification on the section that specifies “No part of the net earnings of the corporation shall inure to the benefit of, or be distributed to, its members . . .”.
